Synthetic high-performance low viscosity engine oil for Renault passenger car diesel engines with exhaust aftertreatment system

Properties

FOSSER Premium Special R 5W-30 is a synthetic high-performance low viscosity engine oil with low sulphur, ash and phosphorus content (low SAP). Base oils of the latest synthesis technology and a corresponding high-performance additive with lowered sulphate ash guarantee best wear protection and highest engine cleanliness. Excellent cold start behaviour ensures optimum lubrication reliability in the cold running phase. Extreme loads and high temperatures are safely mastered.

FOSSER Premium Special R 5W-30 can be used under all operating conditions and contributes to environmental protection by reducing pollutant emissions.

Use instructions

FOSSER Premium Special R 5W-30 was developed especially for Renault diesel engines with particle filters (DPF's).

Do not use in 2.2dCi / G9T engines!

Optimises the service life of exhaust gas purification systems and maintains their functionality.
