

# Mutlu agm. I3.70.076.a battery **FOR WWW.AVTOALL.AZ**

- 12 V 70 Ah 760 CCA (SAE) 800 CCA (S)
- Manufactured to original equipment standards for vehicles environmentally friendly – Uses the start/stop.
- Absorbed Glass Mat (AGM) battery with up to 40% higher performance than standard batteries.
- Up to 3 times longer life compared to standard batteries
- Maintenance free, innovative product for start/stop vehicles Support reduces CO2 emissions

## Specifications **FOR WWW.AVTOALL.AZ**

Brand:	Mutlu
Trade name:	AGM.L3.70.076.A 70AH EU
Type:	car battery "+" on the right
Length :	278 mm
Width:	175 mm
Height:	190 mm
Capacity:	70 Ah
Cranking amps:	800 A
Accumulator terminal allocation:	"+" on the right
Maintenance:	not require
Manufacturer:	Turkey
