

VARTA SILVER dynamic AGM

Vehicle Key Benefits

xEV ready – ensuring safety and reliability for all current and future vehicle demands

Best start-stop performance for maximum fuel economy – as the start-stop-system can be operated as often as possible

90% of a newly produced VARTA AGM battery consists of recycled lead

Original Spare Parts ensure the replacement battery has the same quality as the original one

Patented PowerFrame® grid for reliable starting power, fast recharge and corrosion resistance.
